Virtual Civil Mediation Training 2025

Auburn Hills, Michigan..... Oakland Mediation Center (OMC), Oakland County's leading mediation and conflict resolution training facility, invites legal professionals to participate in our Virtual Civil Mediation Training in 2025. Past OMC mediation training participants have said "As an attorney I was surprised to learn new things or see a different perspective that will allow me to be a better mediator;" and "Nothing but beneficial to an aspiring attorney. Most attorneys are not taught to see both sides. This will help my entire career."

The 10-day State Court Administrative Office (SCAO) approved General Civil Mediation Training is designed to teach participants the skills necessary to act as mediators in facilitating the resolution of disputes. By the end of the training participants will be able to identify the various conflict management styles and how they can be used in dealing with conflict; define issues, positions, interests, and emotions and explore why they are important in mediation; manage the emotional climate in mediation and manage power imbalances and conditions; and much more.

"OMC has been dedicated to providing quality mediation training for over 36 years," said Charity Burke, OMC Executive Director. "Our training is designed to give participants, from all backgrounds, skills they can use immediately to serve and make a lasting impact on our community."

The training will be held: April 1, 2, 3, 8, 9, 10, 11, 15, 16, 17, 2025 from 1:00pm to 5:00pm each day virtually on our ZOOM platform. The cost of training is \$1,295. Participants will receive a detailed mediation manual containing reproducible mediation forms, as well as a certificate of attendance. Those completing their training at OMC become eligible for discounts on practical experience opportunities.

OMC's training courses are approved by SCAO and are designed to be highly interactive and skill based. For more information about this training and others, please contact Jennifer Lintol, Education Coordinator at (248) 338-4280, ext. 222 or Jlintol@mediation-omc.org
